| 2 | the Internal Revenue Code, if the funds of the trust are invested |
| 3 | only in share accounts or insured certificates of the credit union. |
| 4 | (19) To issue shares of its capital stock or insured certificates to |
| 5 | a trustee or custodian of a pension plan, profit sharing plan, or |
| 6 | stock bonus plan which qualifies for specific tax treatment under |
| 7 | Sections 401(d) or 408(a) of the Internal Revenue Code. |
| 8 | (20) Subject to the restrictions in section 9.1 of this chapter, to |
| 9 | engage in any activities in which the credit union could engage if |
| 10 | the credit union were a federally chartered credit union, if the |
| 11 | department authorizes the credit union to engage in the activities. |
| 12 | (21) To sell, pledge, or discount any of its assets, to purchase all |
| 13 | or part of the assets of another credit union, and to assume the |
| 14 | liabilities of the selling credit union. However, a credit union may |
| 15 | not pledge any of its assets as security for the safekeeping and |
| 16 | prompt payment of any money deposited, except that a credit |
| 17 | union may, for the safekeeping and prompt payment of money |
| 18 | deposited, give security as authorized by federal law. |
| 19 | (22) To act as a fiscal agent of the United States and to receive |
| 20 | deposits from nonmember units of the federal, state, or county |
| 21 | governments, from political subdivisions, and from other credit |
| 22 | unions upon which the credit union may pay varying interest rates |
| 23 | at varying maturities subject to terms, rates, and conditions that |
| 24 | are established by the board of directors. However, the total |
| 25 | amount of public funds received from units of state and county |
| 26 | governments and political subdivisions that a credit union may |
| 27 | have on deposit may not exceed ten percent (10%) of the total |
| 28 | assets of that credit union, excluding those public funds. |
| 29 | (23) To join the National Credit Union Administration Central |
| 30 | Liquidity Facility. |
| 31 | (24) To participate in community investment initiatives under the |
| 32 | administration of organizations: |
| 33 | (A) exempt from taxation under Section 501(c)(3) of the |
| 34 | Internal Revenue Code; and |
| 35 | (B) located or conducting activities in communities in which |
| 36 | the credit union does business. |
| 37 | Participation may be in the form of either charitable contributions |
| 38 | or participation loans. In either case, disbursement of funds |
| 39 | through the administering organization is not required to be |
| 40 | limited to members of the credit union. Total contributions or |

participation loans may not exceed one tenth of one percent

(0.001) of total assets of the credit union. A recipient of a

41

| 1 | contribution or loan is not considered qualified for credit union |
|----|---|
| 2 | membership. A contribution or participation loan made under this |
| 3 | subdivision must be approved by the board of directors. |
| 4 | (25) To establish and operate an automated teller machine |
| 5 | (ATM): |
| 6 | (A) at any location within Indiana; or |

| 12 | (A) reasonable compensation, or compensation as fixed by |
| 13 | agreement of the parties; |
| 14 | (B) all advances necessarily paid out and expended in the |
| 15 | discharge and performance of its duties; and |
| 16 | (C) unless otherwise agreed upon, interest at the legal rate on |
| 17 | the advances referred to in clause (B). |
| 18 | SECTION 6. IC 28-7-1-16 IS AMENDED TO READ AS |
| 19 | FOLLOWS [EFFECTIVE JULY 1, 1999]: Sec. 16. (a) Not more than |
| 20 | thirty (30) business days after the conclusion of the annual meeting, the |
| 21 | board of directors shall elect from its own members: |
| 22 | (1) a chairperson; |
| 23 | (2) a vice chairperson or vice chairpersons; |
| 24 | (3) a secretary; and |
| 25 | (4) a treasurer. |
| 26 | (b) The board may appoint officers of the credit union. |
| 27 | (c) The office of secretary and treasurer may be held by the same |
| 28 | person. The board may appoint: |
| 29 | (1) an assistant secretary; |
| 30 | (2) an assistant treasurer; or |
| 31 | (3) both an assistant secretary and an assistant treasurer. |
| 32 | (d) The board of directors shall have the general management of the |
| 33 | affairs, funds, and records of the credit union and shall meet at least |
| 34 | monthly. |
| 35 | (e) The board may appoint an executive committee to exercise |
| 36 | authority delegated to it by the board. All actions taken by the |
| 37 | executive committee shall be subject to ratification by the board. |
| 38 | (f) Unless the bylaws provide otherwise, it is the duty of the |
| 39 | directors to do the following: |
| 40 | (1) To act upon all applications for membership unless the board |
| 41 | has appointed a membership officer. The board shall receive the |
| 42 | report of the membership officer monthly and shall act upon all |

| 1 | those applications for membership not approved by the |
|----|--|
| 2 | membership officer. |
| 3 | (2) To determine rates of interest on loans. |
| 4 | (3) To determine: |
| 5 | (A) the maximum number of shares which may be held by a |
| 6 | member; and |
| 7 | (B) the maximum amount which may be loaned to a member. |
| 8 | (4) To declare dividends. |
| 9 | (5) To amend the bylaws, provided that the qualifications for |
| 10 | membership in the credit union are principally defined in the |
| 11 | articles of incorporation. |
| 12 | (6) To fill vacancies on the board and the credit committee until |
| 13 | the next election. |
| 14 | (7) To invest the funds of the credit union or to delegate the |
| 15 | authority for investments to an executive committee or manager. |
| 16 | However, the board of directors shall review all investments made |
| 17 | by the executive committee or manager at least monthly. |
| 18 | (8) To set the compensation of members of the board, credit |
| 19 | committee, or supervisory committee. |
| 20 | (g) The board may appoint loan officers. Each loan officer shall |
| 21 | furnish to the credit committee or to the board a record of each loan |
| 22 | approved or denied at its next meeting. All loans not approved by a |
| 23 | loan officer shall be acted upon by the credit committee or board of |
| 24 | directors. A loan officer, including the treasurer or assistant treasurer, |
| 25 | shall not have authority to disburse funds of the credit union for any |
| 26 | loan which has been approved by the loan officer. Not more than one |
| 27 | (1) member of the credit committee may be appointed as loan officer. |
| 28 | SECTION 7. IC 28-7-1-17 IS AMENDED TO READ AS |
| 29 | FOLLOWS [EFFECTIVE JULY 1, 1999]: Sec. 17. (a) Every loan |
| 30 | application shall be submitted on a form approved by the board of |
| 31 | directors. When making an application, a member shall state the |
| 32 | security offered. Loans may be dispersed upon written approval by a |
| 33 | majority of the credit committee or a loan officer. except under |
| 34 | conditions described in section 16(g) of this chapter. If the credit |
| 35 | committee or loan officer fails to approve an application for a loan, the |
| 36 | applicant may appeal to the board of directors, providing such appeal |
| 37 | is authorized by the bylaws. |
| 38 | (b) Loans to members may be made only under the following terms |
| 39 | and conditions: |
| 40 | (1) All loans shall be evidenced by notes signed by the borrowing |
| 41 | member. A loan shall not be made to a member if it would cause |

the member to become indebted to the credit union in an

| 1 | aggregate amount in excess of ten percent (10%) of the total |
|----|---|
| 2 | unimpaired shares and surplus. |
| 3 | (2) Unsecured loans shall not exceed five percent (5%) of the |
| 4 | current assets of the credit union. The board of directors shall |
| 5 | establish written lending policies and maintain such policies on |
| 6 | file in the credit union. For the purposes of this section, an |
| 7 | assignment of shares or the endorsement of a note is considered |
| 8 | security. |
| 9 | (3) Except as otherwise provided in this section, the terms of any |
| 10 | loan to a member with a maturity of more than six (6) months |
| 11 | shall provide for principal and interest payments that will |
| 12 | amortize the obligation in full within the terms of the loan |
| 13 | contract. If the income of the borrowing member is seasonal, the |
| 14 | terms of the loan contract may provide for seasonal amortization. |
| 15 | (4) Loans may be made upon the security of improved or |
| 16 | unimproved real estate. Except as otherwise specified in this |
| 17 | section, such loans must be secured by a first lien upon real estate |
| 18 | prior to all other liens, except for taxes and assessments not |
| 19 | delinquent, and may be made with repayment terms other than as |
| 20 | provided in subdivision (3). When the amount of a loan is at least |
| 21 | two hundred fifty thousand dollars (\$250,000), the fair cash value |
| 22 | of real estate security shall be determined by a written appraisal |
| 23 | made by one (1) or more qualified state licensed or certified |
| 24 | appraisers designated by the board of directors. The credit union |
| 25 | loan folder for real estate mortgage loans shall include, when |
| 26 | applicable: |
| 27 | (A) the loan application; |
| 28 | (B) the mortgage instrument; |
| 29 | (C) the note; |
| 30 | (D) the disclosure statement; |
| 31 | (E) the documentations of property insurance; |
| 32 | (F) an appraisal on the real estate for which the loan is made; |
| 33 | and |
| 34 | (G) the attorney's opinion of titles or a certificate of title |
| 35 | insurance on the real estate upon which the mortgage loan is |
| 36 | made. |
| 37 | (5) The total unpaid balance of all loans authorized by this |
| 38 | subdivision shall, at no time, exceed thirty-three and one-third |
| 39 | percent (33 1/3%) of the total assets of the credit union at the time |
| 40 | the loans are granted. This section does not limit unpaid balances |
| 41 | secured by adjustable rate mortgages or loans with a remaining |

maturity of five (5) years or less. Loans made upon security of

| 1 | real estate are subject to the following restrictions: |
|----|--|
| 2 | (A) Real estate loans in which no principal amortization is |
| 3 | required shall provide for the payment of interest at least |
| 4 | annually and shall mature within five (5) years of the date of |
| 5 | the loan unless extended and shall not exceed fifty percent |
| 6 | (50%) of the fair cash value of the real estate used as security. |
| 7 | (B) Real estate loans on improved real estate, except for |
| 8 | variable rate mortgage loans and rollover mortgage loans |
| 9 | provided for in subdivision (6), shall require substantially |
| 0 | equal payments at successive intervals of not more than one |
| .1 | (1) year, shall mature within thirty (30) years, and shall not |
| .2 | exceed ninety percent (90%) of the fair cash value of the real |
| .3 | estate used as security, unless the excess of any loan over the |
| 4 | authorized percentage of fair cash value is guaranteed or |
| .5 | insured by a government agency or a private insurer authorized |
| 6 | to engage in such business in Indiana. |
| 7 | (C) Real estate loans on unimproved real estate may be made |
| 8 | only if such real estate is included as additional security on |
| 9 | eligible improved residential real estate, or the funds borrowed |
| 20 | will be used for the construction of improvements that will |
| 21 | make such real estate eligible as security and the funds will be |
| 22 | advanced as the work progresses. The terms of the loan shall |
| 23 | require the borrower to commence development of the real |
| 24 | estate within one (1) year after the date of the loan, shall |
| 25 | require the payment of interest at least annually, shall mature |
| 26 | within five (5) years, and shall not exceed seventy-five percent |
| 27 | (75%) of the fair cash value of the real estate used as security. |
| 28 | The fair cash value for purposes of this clause shall be based |
| 29 | upon the condition of the real estate after such improvements |
| 80 | have been made. |
| 31 | (D) Loans primarily secured by a mortgage which constitutes |
| 32 | a second lien on improved real estate may be made only if the |
| 33 | aggregate amount of all loans on the real estate does not |
| 34 | exceed one hundred percent (100%) of the fair cash value of |
| 35 | the real estate after such loan is made. Repayment terms shall |
| 86 | be in accordance with subdivision (3). |
| 37 | (6) Subject to the limitations of subdivision (4), variable rate |
| 88 | mortgage loans and rollover mortgage loans may be made under |
| 89 | the same limitations and rights provided state chartered savings |
| 10 | associations under IC 28-1-21.5 (before its repeal) or IC 28-15 or |
| 1 | federal credit unions. |

(7) A credit union may participate with other financial institutions

41

| 1 | in making loans to credit union members and may sell a |
|---|--|
| 2 | participating interest in any of its loans. However, the credit union |
| 3 | may not sell more than ninety percent (90%) of the principal of |
| 4 | participating loans outstanding at the time of sale. |
| 5 | (c) Nothing in this section prevents any credit union from taking an |
| 6 | indemnifying or second mortgage on real estate as additional security. |
